- Considerable knowledge of gas and diesel engines, transmissions, hydraulics, fire pumps and valves, generators, fabrication, and welding.
- Knowledge of city ordinances involving animals, vicious animals or animals running at large
- Knowledge of the geography of the city and location of important buildings
- Knowledge of the rules and regulations of the City of Seneca
- Ability to handle sensitive public contacts and to deal tactfully and courteously with the public
- Ability to analyze situations and to adopt quick, effective, and reasonable courses of action with due regard to surrounding hazards and circumstances
- Knowledge of how to handle friendly and feral domesticated animals

TOOLS AND EQUIPMENT USED

City pick-up truck, cages, traps, nooses, protective gloves, warning lights, 2-way radio and cell phone

ESSENTIAL SAFETY FUNCTIONS

It is the responsibility of each employee to comply with established policies, procedures and safe work practices. Each employee must follow safety training and instructions provided by their supervisor. Each employee must also properly wear and maintain all personal protective equipment required for their job. Finally, each employee must immediately report any unsafe work practices or unsafe conditions as well as any on-the-job injuries or illnesses.

PHYSICAL DEMANDS AND WORK ENVIRONMENT

The physical demands and work environment described are representative of activities required and work environment encountered while performing the essential functions of this job. Reasonable accommodations may be made to allow individuals with disabilities to perform the essential functions.

- The employee is frequently required to sit and talk or hear.
- The employee is occasionally required to stand, walk; use hands to finger, handle, or feel objects, tools, or controls; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; and taste or smell.
- The employee must occasionally lift and/or move up to 100 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.
- The employee frequently works in outside weather conditions.
- The employee occasionally works near moving mechanical parts, in high, precarious places; and is occasionally exposed to wet and/or humid conditions, fumes or airborne particles, toxic or caustic chemicals, extreme cold, extreme heat, and vibration.
- The noise level in the work environment is usually moderate.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
