SPOTLIGHT

ALL PATHS LEAD TO FUN ON THE NEW SENECA ADVENTURE TRAIL

The Seneca Adventure Trail at the City's Shaver Recreation Complex is a new option for both runners and walkers alike.

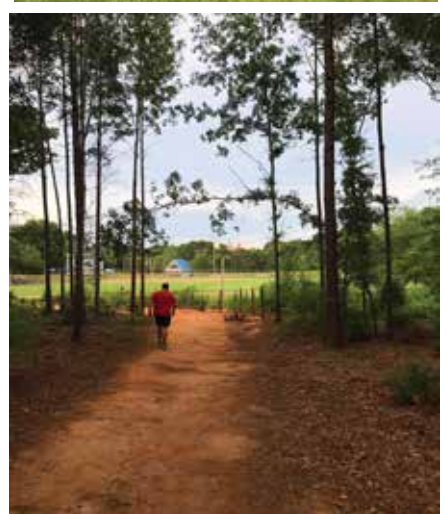

The approximately 3-mile trail winds through the woods directly behind Shaver Complex, and encompasses both challenging hills and slopes, as well as flatter and straighter sections of the trail. The trail was designed and created to provide a scenic alternative to runners and walkers that would give them access to a different kind of recreation and exercise venue.

The Adventure Trail hosted its debut event in July with the Carolina Reaper Challenge, a race in which participants were offered the option to do a 50k, a marathon, a half-marathon, a marathon relay, or a 5K. The event was hosted by Upstate Ultras and attracted a large crowd of runners on the hot, sultry July Saturday.

The Snowbird Challenge, a similar event, is slated for January 23, 2021.

Changes for City Events

A few changes are coming for Jazz on the Alley, Cruzin' on Main, and certain other City events.

The Governor of SC is now requiring that you wear a mask at events like Jazz on the Alley and Cruzin' on Main. This went into effect on Monday, August 3rd.

In that same executive order, the Governor stated that customers in all restaurants must also wear masks.

- For example, when you are sitting outside at a table at Jazz on the Alley, there should be 6 or less at your table.
- When you are NOT eating or drinking, or when you are up moving around, you should wear a mask.

So, mask up & bring your family or friends down to downtown Seneca to enjoy the best free family fun that money can't buy!
