Winter in the City

Making magic happen in downtown Seneca . . .

Christmas 2018 marked the beginning of new traditions and continuance of old traditions in downtown Seneca . . . Sparkling, dancing Christmas lights, holiday music, family photos with Santa in his sleigh.....hot chocolate in the cold winter air..... Lunney Museum by candlelight, the annual Christmas parade A Jazzy Christmas, Downtown Go Round, and a magical feeling of awe and holiday wonder for young and old alike. The new holiday lights brought increased foot and automobile traffic to downtown Seneca , building a sense of community with family and friends and filling downtown stores with holiday shoppers. In the words of a child visiting Santa and the new 32-foot Christmas tree, " I wish it could be Christmas every week."

Winter in the City

Thank you to each and every one of you who helped to brighten the lives of children in our area by donating toys and gifts during the Christmas season!

4K Screening Registration

Do you have a child, or know of a child, who will **be 4 years old on or before September 1, 2019**? If so, he/she may be eligible for 4K (Pre-K) services.

Please schedule a **screening appointment** for your child by calling **864-886-4503** or **864-886-4469**.

Screening dates are February 15, 19, 20, 21, April 26 and 27, 2019. Screenings will be held at Oconee Academy at 177 Razorback Lane, Walhalla, SC 29691.

When you come in for your screening appointment, you will need to bring your child, along with the following:

- Child's state issued LONG FORM Birth Certificate
- Child's Social Security Card
- Child's Immunization Form or Religious Exemption Certificate
- Driver's license or identification of the parent(s)/guardian(s)
- Child's Medicaid Card or Proof of Income for both parents/guardians (This includes step-parents if they assume responsibility. Preferred proof of income is the 2017 W2 form (pay stubs may be used))
- Proof of Residency (a utility bill with parent(s)/guardian(s) name and home address or a lease/rental agreement)
- Legal documentation as it pertains to the child (such as custody, court, safety plans, etc.), if applicable

Due to the district's limited number of programs, screening does not ensure a child's placement in a 4K (Pre-K) program. However, a child cannot be placed in a 4K (Pre-K) program unless he/she is screened.
