Mr. McAlister requested an update on the tornado clean up in his area. Mayor Alexander asked Mr. Moulder to share an update on the cleanup after the tornado. Mr. Moulder said that the cleanup is taking a little longer than anticipated, probably because of the hurricane force winds. We had some equipment to go down which has put the city behind in the cleanup process. SCDOT has been helping the city with some of the bigger items, but they are also committed elsewhere. Mr. Moulder said that he would get with the Public Works Director and look at the schedule for cleanup in that area and then get with Mr. McAlister.
