### *Resolution*

**WHEREAS**, the members of the Seneca City Council would like to express our support and appreciation for Duke Energy; and,

**WHEREAS**, the City of Seneca has evolved from its historical roots as a community based around the railroad industry to become a cultural and economic hub in Oconee County due in significant part to the activities of Duke Energy; and,

**WHEREAS**, the presence of Duke Energy and Lake Keowee has been a boon to economic development for Seneca and the surrounding communities; and,

**WHEREAS**, the City of Seneca has experienced economic development around Lake Keowee that has balanced recreation access, energy generation, and environmental protection in a manner that could serve as a model for many other communities across the United States; and,

**WHEREAS**, the Seneca area is home to innovative Duke Energy generation assets (most notably the Oconee Nuclear Station, one of the nation's largest nuclear plants) that demonstrate the company's commitment to innovative and sustainable energy solutions for decades to come; and;

**WHEREAS**, Duke Energy's World of Energy at the Oconee Nuclear Station is a hub of interactive education for students and families from South Carolina and across the country to learn more about electricity generation while enjoying the natural beauty of Seneca and Lake Keowee; and,

**WHEREAS**, the City of Seneca looks forward to working with Duke Energy in the years ahead to meet the energy challenges of Oconee County, the Upstate, the State of South Carolina, and the entire region while preserving the natural and cultural treasures that make the City of Seneca special.

**NOW, THEREFORE BE IT RESOLVED**, the Seneca City Council commends Duke Energy for their commitment to the prosperity and advancement of the City of Seneca and eagerly anticipates continuing to work together for shared success in the future.
